C. NOIWON Procedures and Expansion. (RMO-4)

(a) USIB membership concurs in procedures we proposed as part of our report on initial 6 months' NOIWON operation; procedures will be formally disseminated for use. Action Officers: PRD/[] IHC/[]

25X1

25X1

(b) Have reached tentative agreement on technical procedures to eventually bring four Armed Services into NOIWON as "listening" participants. Implementation requires further coordinated action by the Services to arrange for connections into the White House switch, and this may require about a year to accomplish. This delay is not due to White House communication staff nor unwillingness to have Services participate in NOIWON, but is wholly related to Service technical problems. Action Officers: PRD/[] IHC/[]

D. INVIDEX. (RMO-4) C/IHC reviewing NPIC's INVIDEX report recommending establishment of real time Washington net to disseminate high quality imagery, and consulting with DDI and DDS&T staffs on the several recommendations that will be advanced to the DCI for decision. Preparing summary for ICS front office. Action Officer: IHC/[]

25X1

25X1 E. External Committee Investigations of IC - Review of IHC and Predecessor Committee Files. In order to be able to respond to inquiries about community computer development and use, it is necessary to review IHC and predecessor committee files. Action Officer: IHC/[]
